

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Safety and Enforcement Division Rail Transit and Crossing Branch Rail Transit Safety Section	Resolution ST-153 June 27, 2013
--	------------------------------------

PUBLIC REDACTED

RESOLUTION

RESOLUTION ST-153 GRANTING APPROVAL OF THE FINAL REPORT ON 2012 TRIENNIAL ON-SITE SECURITY REVIEW OF SACRAMENTO COUNTY AIRPORT SYSTEM.

SUMMARY

This resolution approves the California Public Utilities Commission Safety and Enforcement Division final report titled, "2012 Triennial On-Site Security Review of Sacramento County Airport System" dated March 14, 2013. The report compiles the results of Commission Staff review of the Sacramento County Airport System security program. Background information and review procedures only are included in the redacted report.

BACKGROUND

Commission General Order No. 164-D, "Rules and Regulations Governing State Safety Oversight of Rail Fixed Guideway Systems" requires Staff to conduct on-site security reviews of transit agencies operating rail fixed guideway systems at least once every three years.

From 1996 to 2008, the Commission's Rail Transit Safety Section (RTSS) partnered with the Transportation Security Administration (TSA) in performing rail transit security reviews. However, in the later half of 2008, RTSS took over the responsibility of security reviews from the TSA. Staff conducted an on-site security review of the Sacramento County Airport System (SCAS) security program in August 2012.

RTSS had the responsibility of standardizing the format of the Rail Transit Agency's Triennial Security Reviews and looked towards the Federal Transit Administration (FTA) for guidance. The undertaking of the FTA was to define and guide Commission's RTSS to what they considered Security Sensitive Information and what was allowed for the public to view. The RTSS management worked with Commission's legal department and the FTA over the next two years to acceptable standard.

A full description of the security review, including the scope, results, and recommendations, is contained in the final security review report identified in this resolution as Attachment A.

The security review results show that the Sacramento County Airport System is in compliance with its System Security Plan. Staff did not find any areas of non-compliance during the review. Activities of each checklist can be found in Section D of the security report.

Staff sent Sacramento County Airport System a copy of the draft security review report for a 30-day comment period on March 5, 2013. The Sacramento County Airport System did not return any comments.

DISCUSSION

The final report, "2012 Triennial On-Site Security Review of Sacramento County Airport System," dated March 14, 2013, included as Attachment A, identifies Staff's activities for each of the five FTA security elements evaluated during the security review. Staff recommends the Commission approve the final security review report titled, "2012 Triennial On-Site Security Review of Sacramento County Airport System" dated March 14, 2013.

NOTICE

On May 28, 2013, this Resolution was published on the Commission's Daily Calendar.

CONFIDENTIAL INFORMATION

Public Utilities Code Section 583 states: "No information furnished to the commission by a public utility, or any business which is a subsidiary or affiliate of a public utility, or corporation which holds a controlling interest in a public utility, except those matters specifically required to be open to public inspection by this part, shall be open to public inspection or made public except on order of the commission, or by the commission or a commissioner in the course of a hearing or proceeding. Any present or former officer or employee of the commission who divulges any such information is guilty of a misdemeanor."

The confidential appendices, marked "[CONFIDENTIAL]" in the public copy of this resolution should remain confidential at this time.

COMMENTS

The draft resolution of the SED in this matter was mailed in accordance with Section 311 of the Public Utilities Code and Rule 14.2(c) of the Commission's Rules of Practice and Procedure. No comments were received.

THEREFORE, IT IS ORDERED that:

1. The Safety and Enforcement Division's request for approval of the final safety review report titled, "2012 Triennial On-Site Security Review of Sacramento County Airport System dated March 14, 2013, is granted.
2. This Resolution is effective today.

I certify that the foregoing resolution was duly introduced, passed and adopted at a conference of the Public Utilities Commission of the State of California held on June 27, 2013; the following Commissioners voting favorably thereon:

PAUL CLANON
Executive Director
